

World Class
Accommodations
For Children

One Solution. Specified Worldwide.

Foundations was the first to design childcare products for use in hospitality, and we remain at the forefront in style, safety, durability, quality, and regulatory compliance. From wood and steel cribs to travel yards, changing stations and more, our products are preferred by more hotels than any other brand.

Global Solution

Full product portfolio and complete, affordable solutions for all regions of the world.

Safety & Compliance

World leader in child safety and regulatory compliance.

Hygiene & Maintenance

Engineered using the highest-quality materials for optimum hygiene and simple maintenance.

Durability

Commercial products designed with the needs of hoteliers in mind.

Luxury Unfolds Before Your Eyes.

Boutique™

Clean. Modern. Convenient.

This folding mini crib provides your guests with the clean, modern, and convenient traveling experience they want and deserve while staying at your hotel. Unmatched in its offering of 5 premium colors, the Boutique features solid wood construction and oval slats, providing an upscale design that is in line with your brand.

Folding Steel Cribs

The Pinnacle Of Steel Cribs.

Pinnacle™

Strong. Durable. Easy to Clean.

The universal appeal of a traditional steel baby crib never goes out of style. This folding steel crib is the perfect balance of strength, good looks, and convenience. Made of heavy-duty steel utilizing a 360-degree welding process, with a non-porous powder coated finish that's easy to clean and resists corrosion and scratches.

- Folds flat in seconds for efficient storage
- Non-marking, ultraquiet 3" casters (two locking)
- Includes a 4" InfaPure foam mattress with a sleeping surface of 24" x 38"

1331360

StowAway™

Full-featured. Cost-conscious.

1231090

Function and value with the features you want. Heavy-duty steel and reinforced mattress boards provide long-lasting strength and durability. An easy-to-clean, non-porous, powder-coated finish will keep its good looks in high-use environments. This crib arrives fully assembled; all you have to do is insert the casters.

- Quickly and easily folds flat for convenient storage
- Non-marking, ultraquiet 3" casters (two locking)
- Includes a 2" InfaPure foam mattress with a sleeping surface of 24" x 38"

Introducing the SnugFresh® System.

Travel yards have been challenging to keep clean and sanitized—until now. Ultra-soft, wrinkle resistant SnugFresh® covers are designed specifically to withstand the repeated washings of your linen laundering protocol and guarantee a clean and safe environment for the smallest guests every time. Add the SnugFresh® ribbon to remind parents their baby's safety and comfort is your top priority.

*Each SnugFresh® Travel Yard includes one Snugfresh® cover.

Finally, a clean travel yard ... every time.

SnugFresh® Elite™

Upscale. Spacious. Portable.

This premier travel yard has an upscale design with extra features for added comfort, privacy, and portability. The 37" x 25" interior surface provides a spacious, comfortable area for play or nap time.

1556287

Includes a 1" Ultra Plush mattress for ultimate comfort

Privacy flap to minimize distraction to baby

Storage pocket on side for baby's supplies

SnugFresh® Celebrity™

Stylish. Convenient. Economical.

Superior cleanability and comfort to give parents peace of mind and tiny travelers the safe sleep they need. The 37" x 25" inside surface area provides a spacious, comfortable area for play or nap time. Set it up and take it down in a snap, it's easy to transport, and its super-soft microfiber cover can be washed and sanitized daily.

SnugFresh® Ribbons

A seal of safety your guests can see, letting them know their travel yard is clean and sanitized. Three dispensers per case, 50 ribbons in each dispenser.

6911036

SnugFresh® Travel Yard Covers

Only SnugFresh Travel Yards have covers that can be washed daily, fitting right into your regular linen protocol. Available in 3- and 12-pack options.

6901037

Sleep 'n Store®

Cost-conscious. Comfortable. Lightweight.

A neutral graphite look fits any décor. It offers guests a safe, comfortable, and portable solution. The 37" x 25" inside surface area provides a spacious, comfortable area for play or nap time. This travel yard can also be bought with a bassinet to accommodate younger infants – a must-have for new parents.

Black

300-EHLD-02

Elements®

Innovative Design, Exceptional Value.

The Elements® changing station takes the guess work out of ADA and ANSI compliance every time. A full-sized installation template guarantees true one-person installation, ensuring the product is level and at the proper height without the use of additional tools. Features bacteria resistant, high-density polyethylene and a load capacity of 150 lbs. The Elements® can be purchased as a standalone changing table or bundled with the matching liner dispenser to provide the convenience your guests need.

Load Capacity of **150 lbs.**

Polyurethane safety strap is easy to clean and sanitize

Revolutionary, patent pending coil spring hinges tested for over 10 years of life

Mounts to any surface with a metal bracket and cover

Classic

The Global Standard of Baby Changing Stations.

This high-density polyethylene baby changing station is available in a horizontal or vertical format. Each can be bought with an optional EZ Mount Backer Plate, which eliminates the need for structural blocking and ensures connection with two studs. The horizontal design features a load capacity of 250 lbs. while the vertical design features a load capacity of 150 lbs.

Available in 3 colors
